August Learning Camps for Grades 7-10

Are you back from vacation and looking for an exciting way to get ready for school in September? The Galt Christian High School Program in Cambridge is hosting two learning camps for Grades 7-10 students, running daily from 8:30 am-5:30 pm the week of August 15-19. Our camps are highly experiential and active in nature and designed to help students prepare for opportunities in school and beyond by developing authentic projects.

Option 1: A+ Projects and Presentations

Students will learn how to use technology and design to make projects and presentations that communicate ideas effectively- in-school and out-of-school. The week will include field trips, interactive workshops, and practical experience. **\$200**

Option 2: Event Planning

Students will learn how to use creativity, organization, communication, and leadership skills to plan and execute great events in a collaborative setting. The week culminates events planned, promoted and hosted by the students. **\$200**
